Innovative Architects and CED Solutions Partner to Offer Microsoft BizTalk Training Classes in 2009.

February 13th, 2009 – Duluth, GA – For those looking to learn how to efficiently and effectively integrate systems, employees, and trading partners in a highly flexible and highly automated manner – this is the course to take. Innovative Architects and CED Solutions have teamed up to provide students with the skills required to install and configure Microsoft BizTalk Server 2006. The course also demonstrates how to deploy and manage BizTalk applications in a production environment.

“We’re looking forward to working closely with CED Solutions in 2009 by offering the BizTalk Server 2006 courses. Out of 43 Virtual Technology Specialists (VTS) in the United States, Innovative Architects has two (2) VTS on staff. Students of the course will be learning from some of the most experienced BizTalk experts in the field,” said Kimberly Steele, Director of Business Development at Innovative Architects.

The first BizTalk class offered is April 13th-17th, 2009. Classes will run Monday – Friday from 8:00AM to 6:00PM. Students will be given time in class for labs and study preparation before taking the certification exam. The class includes hands-on, instructor led training, all courseware, practice exam, certification exam, 1 retake exam voucher if needed, a free re-sit within a year of completion, breakfast and lunch daily, and airfare/lodging if needed. Please visit <http://www.cedsolutions.com/outlines/index.cfm?classClassroomID=367> for a schedule of dates as well as the course description for Developing BizTalk Server 2006, or contact Kimberly Steele at 678-680-6004 or Kimberly.Steele@InnovativeArchitects.com.
