

Profile: Innovative Architects

Innovative Architects (IA) started in 2005 with the idea of solving complex business challenges leveraging Microsoft Enterprise Platform technologies. Successfully delivering projects for clients such as Blue Cross & Blue Shield, Macy's, Coca-Cola Bottling, Travelport and Wyndham Worldwide, IA has grown to 275 clients and 130+ software engineering consultants headquartered in **Atlanta**, with satellite offices in **Washington D.C.** and **West Palm Beach, Florida**.

Cloud First Engineering... Enterprise Integration... Data Driven Solutions...

Our technology depth gives you peace of mind that we can solve your most challenging IT issues. We leverage a Quick Win Methodology to accelerate Time to Market and show returns faster.

- **Cloud Consulting Capabilities** – Born in the cloud capabilities in Azure and AWS with a combination of networking, application development, data, integration, dev-ops, telephony (Skype for Business) and information worker (Office 365), that includes our Cloud Ops managed services offering.
- **Enterprise Integration** – Unparalleled depth in BizTalk, Neuron, EDI, HL7, ESB, SSIS, Logic Apps
- **Enterprise Data** – Expert Knowledge (Microsoft MVP) in Reporting/Visualization (leading edge PowerBI), Big Data, Machine Learning, Data Management & Performance, EDW/Cubes
- **Collaboration Platforms** – Significant experience in Microsoft SharePoint, DNN, SiteFinity, SiteCore, CRM Online, SFDC Integration. Preferred Enterprise partner with Microsoft, DNN, and SiteFinity.
- **Development Solutions** – Primary languages in use today are .NET Core, C#, Java Script, Angular, and React. Extensive mobile experience with Android & Apple Mobile OS using Xamarin & Cordova.

Plus, we focus on the Digital User Experience with Interactive, Responsive Design!

Our dedicated Interactive Team creates smart UX design, compelling screens and intuitive layouts. We invite you to review our portfolio sites at <http://portfolio.innovativearchitects.com/> for additional examples of our team's work. We love to lead with design – always thinking about your users and how to drive adoption.

Did We Mention our Award Winning Team of Talent?

IA celebrates 13 Years of Consecutive Growth, powered by tenured employee consultants (most with over 5+ years of experience at IA). Our certifications include Microsoft Gold Systems Integrator / Azure, Microsoft MVPs, SiteFinity Implementation, and Project Management Professionals.

IA has enjoyed five years on Atlanta's "Top 100 Places to Work" list and has been named one of Fortune Magazine's Great Places to Work for Small/Medium Business (2017), Giving Back (2016), Team Camaraderie (2015), and Technology (2014).
